# SET SAIL WITH PONANT AND NATIONAL GEOGRAPHIC

From 2019, PONANT and NATIONAL GEOGRAPHIC are launching a unique partnership to offer people who love travel, discovery and nature the opportunity to embark on new expedition cruises to some of the most secret and best-preserved destinations on Planet Earth.

## A PARTNERSHIP FORGED AROUND COMMON VALUES

We are building this collaboration from our shared values: the spirit of adventure, a passion for exploring, a thirst for discovery and care for our planet.

PONANT, the leader in polar expeditions for almost 20 years, boasts a state-of-the-art modern fleet of expedition ships. Designed to sail distant seas in comfort and safety, our boats' small size and manoeuvrability allows us to reach the most remote lands. At the same time our fleet is equipped with leading edge navigation and stability technology, alongside the most up-to-date environmental protections, which are essential when crossing through fragile areas, observing unique and often delicate ecosystems.

For over 130 years, the NATIONAL GEOGRAPHIC SOCIETY has funded groundbreaking scientists and explorers, sharing our findings with the world. We sponsored Hiram Bingham as he brought back stories of Machu Picchu; we documented Robert Ballard's quest to find The Titanic and supported Jane Goodall's lifelong study of chimpanzees. Today, the Society awards more than 575 grants a year to scientists, educators, innovators and storytellers around the world. Simply by taking a trip with PONANT and NATIONAL GEOGRAPHIC, you are supporting these vital initiatives. \*

Onboard each cruise, a NATIONAL GEOGRAPHIC expert specialising in topics ranging from anthropology, to history, to marine biology, will enrich the expedition with fascinating presentations and informal discussions. A NATIONAL GEOGRAPHIC photographer is also onboard, on hand to advise and teach you techniques along the way, sharing their skills while the subject of your photograph is right there in front of you.

\*National Geographic Society receives funds from National Geographic Partners LLC, funded in part by your purchase. To learn more, visit [www.natgeo.com/info](http://www.natgeo.com/info).

*“Nobody can discover the world  
for somebody else. Only when we discover  
it for ourselves does it become common  
ground and a common bond and we cease  
to be alone.”*

— NATIONAL GEOGRAPHIC

## **WE ARE ALL EXPLORERS**

Stimulated by science and adventure, NATIONAL GEOGRAPHIC’s objective is to inspire people through meaningful experiences and to create personal connections through exploration.

## **TRAVEL IS NOT AN EXTENSION OF NATIONAL GEOGRAPHIC. IT HAS BEEN A CORNERSTONE FROM THE START.**

Travel has been part of NATIONAL GEOGRAPHIC’s DNA ever since that January evening in 1888 when 33 explorers, scientists, academics and patrons gathered to found “a society for the increase and diffusion of geographical knowledge.”

Since the first issue of the Journal of the NATIONAL GEOGRAPHIC SOCIETY, the writing, then photography, then in more recent years video, digital, and social media, have transported people. NATIONAL GEOGRAPHIC captures the far-flung places of the world and brings them vividly home to our audience.

Travel is just another way that NATIONAL GEOGRAPHIC fuels an understanding of our world.

## | EXPEDITIONS BY PONANT

### **ARE YOU DREAMING OF AN EXCEPTIONAL, ONCE-IN-A-LIFETIME TRIP?**

These six new stars of our fleet are named in tribute to great French explorers and will carry guests in the wake of these courageous, pioneering men who, long ago, set off for adventure in search of new lands. Taking inspiration from history's great navigators was a natural choice for PONANT, the only French cruise line to sail to little-known, remote lands that are inaccessible to larger ships. In keeping with our standards, each ship offers a carefully limited guest capacity, sleek design, cutting-edge technology, and passionate respect for the environment, allowing PONANT to access an ever-widening range of destinations.

## A SUPERB SERIES OF 4 SISTER SHIPS

### **L'AUSTRAL, LE BORÉAL, LE SOLÉAL & LE LYRIAL**

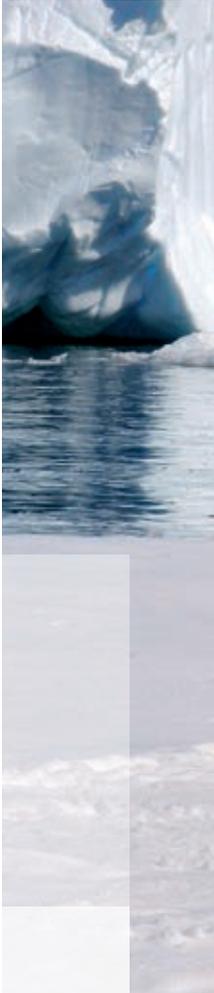

These four elegant ships with 122 to 132 cabins and suites, reflect our philosophy: they boast a limited capacity, a unique atmosphere and a subtle combination of luxury, privacy and well-being.

All of the staterooms and suites offer sea views and 95% of them have balconies. With large windows and exterior decks, guests can enjoy breath-taking views of the horizon.

On board, there are no more than 260 guests, attentively looked after by 132 staff members.

The atmosphere aboard the ship is refined yet convivial; unique in the cruise industry, the Captain may choose to invite guests to join him on the Bridge for the chance to spend a few moments experiencing what it's like to navigate the ship by his side and to meet the officers\*.

# PONANT AND NATIONAL GEOGRAPHIC

## COMMON VALUES FOR SUSTAINABLE TOURISM

Driven by the spirit of curiosity and adventure, our guests come aboard for an unforgettable voyage; to discover the planet's natural beauty and meet communities of people we might never otherwise encounter. Expanding one's horizons offers an extraordinary opportunity for personal growth, upon returning home. We share these new experiences, our sheer wonder and we emphasise the need to protect these precious eco-systems.

NATIONAL GEOGRAPHIC and PONANT's deep belief is that when people witness the world at first hand, they better understand it, care more deeply and take greater responsibility.

# NATIONAL GEOGRAPHIC: WORKING TOWARD A PLANET IN BALANCE

## **SUPPORT FOR SCIENCE AND EXPLORATION**

A portion of the proceeds from your journey will go towards to the NATIONAL GEOGRAPHIC SOCIETY; the nonprofit scientific and educational organisation that pushes the boundaries of exploration to further our understanding of our planet and inspires solutions for a more sustainable future. Every year, the Society funds scientists, conservationists, educators, and storytellers around the globe who work to preserve species and ecosystems, protect cultures and advance understanding of our planet and its inhabitants.

To date, the NATIONAL GEOGRAPHIC SOCIETY has given out almost 14,000 grants to scientists and conservationists, whose work is making a significant difference around the world. It has supported critical projects such as the Big Cats Initiative, fighting to prevent more than 2,600 big cat mortalities in the wild, alongside the Pristine Seas project, which has already helped to protect more than five million square kilometres of the ocean's last wild places.

## **LEADING THE FIGHT AGAINST PLASTICS**

Every year nine million tons of plastic waste ends up in our oceans. More than 40% of plastic is used just once, then disposed of. Every year ocean plastic kills marine animals in their millions. Marine species of all sizes, from zooplankton to whales now eat micro plastics, so it enters the food chain and ends up inside us. Other animals are strangled by abandoned fishing nets or discarded six-pack rings.

NATIONAL GEOGRAPHIC has prioritised our commitment to raising awareness of this pressing problem and we are working every day to reduce the amount of plastic that ends up in the world's oceans. NATIONAL GEOGRAPHIC's organisation-wide effort includes a major research and scientific initiative; a consumer education and engagement campaign; corporate sustainability commitments; and a program of innovative partnerships with like-minded corporations and non-governmental organisations (NGOs) from all over the world.

# PONANT, FIRMLY COMMITTED TO THE ENVIRONMENT

For more than 30 years, PONANT has been taking its guests to some of the most remote locations on the planet, where nature rules in all her splendour. This choice involves responsibilities towards the ecosystems of these places and the local communities that live there.

## **AN INCREASINGLY CLEANER FLEET**

We go above and beyond environmental regulations, using research and innovation to help us minimise our impact on the places we visit. Thanks to our efforts, every one of our ships has been awarded the international Clean Ship label, which certifies that we have reduced our environmental impact.

## **LUXURY ICEBREAKER WITH LNG PROPULSION: THE FIRST IN THE WORLD**

PONANT is building a groundbreaking luxury icebreaker, to be delivered in 2021. It will be fitted with the latest sustainable development technologies and will surpass every requirement of the IMO (International Maritime Organisation) 2020 regulations. Using LNG allows reduction of SO<sub>2</sub>, NO<sub>x</sub>, CO<sub>2</sub> and particle emissions.

## THE TECHNOLOGY AT THE HEART OF PONANT SHIP DESIGNS

Refrigerant gas (R407C) used for air conditioning and for refrigeration units. This has no impact on the ozone layer and a very low impact on the greenhouse gas effect.

Low energy and low heat emitting lighting system (LED and fibre optic based).

Dynamic positioning system (when necessary) helps maintain a vessel's position without having to drop the anchor, thereby protecting the seabed.

Tin-free antifouling paint to protect marine ecosystems as much as possible.

## PONANT, A MEMBER OF IAATO AND AECO

PONANT is a full and proud member of the International Association of Antarctica Tour Operators (IAATO). IAATO is an industry group organisation that sets the highest possible tourism operating standards in an effort to ensure appropriate, safe and environmentally sound travel to Antarctica. Its rules include guidelines about about the maximum number of guests during shore landings, alongside further specific guidelines for interaction with wildlife, visitor briefings and key safety obligations for operators). In the Arctic, PONANT is a member of the Association of Arctic Expedition Cruise Operators (AECO). AECO is dedicated to managing responsible, environmentally friendly and safe tourism in the Arctic.

## A STRONG PARTNERSHIP WITH THE LOCAL COMMUNITY

Approaching seldom-visited places by sea promises a privileged discovery of little-known cultures and populations, who continue their traditional ways of life, often on the lands of their ancestors. Without a profound respect for these people who welcome us, PONANT would not be accepted. When planning every single one of our expedition cruises, we build a close working relationship with our host community. People themselves decide what they wish to share from their culture and environment. Involved in this way, a local community becomes an active participant in – and beneficiary of – low impact, ecologically sensitive tourism.

PONANT is also committed to preserving and maintaining traditional cultures and practices, for example by supporting the work of the Upernavik "FabLab" organisation in Greenland, which trains members of the Inuit community in traditional skills and crafts.

## 5. Rates and reductions per person and per cruise

**5-1: Public rates are the reference rates of the cruise applicable for the validity period of the brochure. Public**

rates are per person and based on double occupancy.

**5.2: Ponant Bonus Fares** is a special savings programme off published cruise only rates for selected voyages. Ponant Bonus is the guaranteed best price you can obtain on the day you make your reservation. It can save you up to 30% off the public rates (rate port to port only, out port taxes and security and airline fare). Ponant Bonus fares are capacity controlled, subject to availability and may change at any time without notice.

**5.3 Single Supplement** The single supplement shall apply to any person who occupies a stateroom on their own. The Supplement shall apply to the port-to-port section (excluding port taxes) of the Ponant Bonus rate in effect. This supplement may change depending on the occupancy rate of the cruises concerned. It may therefore change for certain categories of staterooms and/or suites only, or for an entire cruise at any time with no notice. The single supplement shall be offered in certain stateroom categories for a selection of cruises. This selection shall be updated in accordance with the occupancy rate, and can be viewed on our website at [www.ponant.com](http://www.ponant.com).

**5.4** Depending on the occupancy of the ship (with the exception of the *Le Ponant* yacht) at the time of reservation, a "guaranteed" Deluxe Stateroom Deck 3 stateroom may be offered. This means that the booking has been made in the Deluxe Stateroom Deck 3 category without a stateroom number being assigned, and that the stateroom shall be assigned at the Company's discretion, and may change at any time until embarkation. Once the stateroom number has been assigned, no request for a change may be accepted. This formula offers the advantage of potentially benefiting from a stateroom in a higher category without a price surcharge. The minimum category selected at the time of booking shall be guaranteed in any event.

## 6. Passports, Visas and Vaccination Certificates

6.1 Every Traveller who is a French national shall be responsible for performing the administrative and/or health formalities required by the countries concerned by the Services, including those formalities disclosed by CDP and viewable on the [www.ponant.com](http://www.ponant.com) website as well as in the brochure, prior to Signing the Contract.

6.2 Travellers who are foreign nationals must contact the relevant embassies and/or consulates and perform the administrative and/or health formalities required by the countries concerned by the Services prior to Signing the Contract.

6.3 CDP shall not be held responsible for the consequences of a Traveller failing to comply with police, customs, or health formalities prior to or during the length of the Services under any circumstances. A Traveller who is unable to board a flight or a ship because they cannot present the documents required may not claim any refund or compensation.

6.4 In any event, Travellers are advised to check all the information with the authorities concerned prior to the departure date. CDP advises Travellers to consult the country factsheets relating to the chosen destinations prepared by the French Ministry of Foreign Affairs on the <http://www.diplomatie.gouv.fr/fr/consils-aux-voyageurs> website, or to make enquiries by telephone (+33 1 43 17 53 53, French Ministry of Foreign Affairs). CDP specifically draws Travellers' attention to the fact that the information provided may change up until the departure date, and they are advised to consult that information up until the time of departure.

CDP invites Travellers to adjust their behavior to the visited country, to exercise vigilance and to avoid carrying valuable objects during their travel.

## 7. Embarkation and sea carriage conditions

### • General rules

7.1 The Traveller must present themselves for embarkation under the conditions determined by the Passenger Ticket, and at least two hours before the ship's scheduled departure time. The Passenger Ticket and/or the Cruise Ticket issued by CDP shall only be valid for the Cruise and the ship mentioned on the ticket.

7.2 The purpose of the Passenger Ticket is to transport the Travellers and their luggage from the time when they embark at the port of departure to the time when they disembark at their destination.

7.3 All Travellers must hold a valid passport, or an identity card, where applicable, that are valid for six months following the date of their return, together with the visas and vaccination certificates likely to be required in the ports where the ship calls and the port of destination. Every Traveller shall be personally

responsible for complying with the legal and regulatory provisions required prior to departure. The Carrier, the Organiser of the Cruise, and/or CDP, and/or the Captain may refuse to allow a Traveller who does not show the documents enabling them to disembark at the port of destination port and at the scheduled ports of call to embark or disembark.

74 If a Traveller who has reserved a Cruise solely on a port-to-port basis organises their own air or ground transport to the port of embarkation and/or to their home address, they are strongly advised to purchase changeable and refundable transportation tickets, and to allow for reasonable transfer times between the station, the airport, and the port. In the event of a delay, cancellation or change, CDP shall not be responsible for the transport and Transfer expenses and/or for any other kind of amenities and services not included in the Cruise Ticket that were not directly purchased from CDP. CDP shall not be responsible for any incidents or accidental damage to equipment and/or bodily injury that may occur during travel to and/or from the ship.

75 Every Traveller shall guarantee that they are fit to travel by sea, and that their state of health or behaviour shall not harm the other Travellers or the proper performance of the Services agreed and/or proposed. If a Traveller's state of health is likely to limit their ability to enjoy the Services agreed, or to disrupt the proper provision of those Services, they must inform CDP, and must provide a medical certificate certifying their fitness on request. Any health problem, if known, must be mentioned to CDP's Medical Department in writing when Signing the Contract or before the departure of the ship (or prior to the beginning of the Services) at the latest.

76 Travellers shall be responsible for Doctor's appointments, medical care, and medication on land or on board the ships. All Travellers must ensure that they are covered by an appropriate medical insurance policy.

77 In the event of the threat of an epidemic, the Carrier, the Organiser of the Cruise, CDP, the Captain of the ship, or any other local health authority may demand that the Traveller fill in a health questionnaire and take a screening test, where applicable, before or at the time of embarkation or disembarkation, including during port calls.

78 In the specific case of Expedition Cruises, where you are reminded that any medical facilities are several days away by sea, a mandatory full medical questionnaire (a document provided on Signing the Contract) must be filled in by the Traveller's referring attendant physician between 90 and 45 days prior to the beginning of the Services, and must be returned to CDP's Medical Department (medical@ponant.com) by mail or e-mail within 40 days prior to the beginning of the Services at the latest. Any medical certificate issued prior to the determined period shall not be valid. Any Traveller who has not returned their duly completed mandatory medical certificate shall not be allowed to embark, and shall not benefit from any refund.

79 Travellers must comply with the rules on board throughout the journey. Travellers are required to attend any safety demonstrations and explanations that are organised on board, and to follow the crew's instructions at all times.

710 If they consider it necessary, the Carrier, the Organiser of the Cruise, CDP and/or the Captain of the ship may terminate the contract and refuse to carry any Traveller who does not comply with the conditions for entering into the destination ports, or whose presence on board could be harmful to the comfort, health, and safety of the other Travellers and the crew, breach the laws and rules of the ports where the ship calls, or render the Carrier, the Organiser of the Cruise, and/or CDP liable for the Traveller's legal defence or repatriation. Accordingly, the Organiser of the Cruise, the Carrier, and/or CDP, and/or the Captain of the ship may decide to take the following appropriate measures: Refuse to allow the Traveller(s) to embark or disembark in any port that the ship calls at; 2) Disembark the Traveller(s) at any port that the ship calls at; 3) Transfer the Traveller(s) to another ship; 4) Confine the Traveller(s) on board, in their stateroom, or in a stateroom managed by the on-board medical team; 5) Have the doctor and their team administer any drugs, medications, or other permissible substances, and/or confine the Traveller in hospital or in any other similar facility at the port of destination if the on-board doctor considers it necessary.

#### • Disabled Persons and Persons with Reduced Mobility

711 Due to safety requirements, every Traveller must be independent, or travel with a person who is capable of providing them with all the assistance required during the performance of the Services.

712 Travellers whose mobility is restricted due to a physical disability or to a condition that requires special treatment and/or special assistance, including people who use wheelchairs, must inform CDP in writing at the time when they make the booking request, or as soon as the Traveller becomes aware of their disability if that disability occurs following the booking, but in any event at least 30 days prior to the beginning of the Services, in order to enable CDP to confirm to the Traveller that they will be physically able to enjoy the Cruise on board the ship and/or the Services agreed, *inter alia*.

713 The Organiser of the Cruise, the Carrier, and/or CDP, and/or the Captain reserve the right to refuse access to Travellers who have failed to inform CDP or the Vendor about a disability or their need for assistance, if such disability and need are not compatible with the applicable safety rules and the specific regulations for the navigation area, or require care that CDP and/or the Carrier would not be in a position to provide, or if the design of the passenger ship, and the port infrastructure and facilities, including port terminals, make the embarkation, disembarkation, or transportation of the person concerned under satisfactory safety conditions impossible.

714 Going ashore may be difficult or even impossible for Travellers with Restricted Mobility, or Disabled Travellers, especially in the event of disembarkation in launches or/and excursions in dinghies inflatable boats.

715 Once they have received CDP's written agreement, Travellers who use a wheelchair must embark with their own wheelchair, and must absolutely be accompanied by a person who is capable of assisting them at all times. Every disembarkation shall nonetheless be subject to the approval of the Captain.

716 *Le Boréal*, *L'Austral*, the *Soléal* and *Le Lyrial* all have three staterooms that are specially equipped to receive Disabled Persons, or Persons with Restricted Mobility (two staterooms on board *Le Lapérouse*, *Le Champlain*, *Le Bougainville* and *Le Dumont-d'Urville*). Please note that the *Le Ponant* yacht specifically does not allow access to Persons with Restricted Mobility or Disabled Persons due to a different design.

#### • Children and Pregnancy

717 Children under three years of age shall not be authorised to embark on the ships. Children aged over three and under eight may only embark on the ships on presentation of an embarkation authorisation from PONANT.

718 In the case of all the Expedition Cruises, children must be fully independent during all the outside activities organised and during disembarkation in inflatable boats, be sufficiently tall to sit on the inflatable sides of the boats, and old enough to understand, and immediately respond to the orders given by the persons in charge. As a result, children's participation in any activity in an inflatable boat shall be subject to the agreement of the Captain and of the Expedition

719 Minor children shall remain under their parents or guardians' full and entire responsibility when on board and/or during excursions.

720 PONANT reserves the right to limit the number of children less than 8 years of age aboard its ships.

721 As the ships do not have any facilities to enable women to give birth on board, women who are over six months pregnant shall not be allowed to embark on the ships. In any event, pregnant women travelling on board the ship are advised to consult a doctor prior to embarkation, in order to ensure that their state of health is compatible with the planned cruise.

#### • Authorised luggage

721 Every Traveller must label each luggage item correctly, and indicate their full name, the name of the ship, their destination, and their stateroom number in a highly legible manner. The markings must be visible and permanent.

722 Goods, property, and items where the contents may threaten the health and safety of the other Travellers and their Luggage, or persons or of property, and may damage or pollute the ship, inflammable, explosive, corrosive, hazardous, or odorous materials, or materials that are likely to leak, items where importation is prohibited or that do not comply with customs or police regulations, and generally speaking property and items other than those intended for the Traveller's personal use are prohibited on board and in their luggage (hereinafter the "Prohibited Items"). In any event, the Traveller shall be liable for any injury, loss, or damage suffered as a result of the presence of Prohibited Items in their luggage or in their stateroom, and shall hold the Organiser of the Cruise, the Carrier, and/or CDP harmless against any proceedings that may be initiated against them as a result of the presence of these Prohibited Items on board or at the time of embarkation or disembarkation. These Prohibited Items may be disembarked, destroyed, thrown into the sea, or rendered harmless at any time and any place by the Organiser of the Cruise, the Carrier, the crew,

and/or CDP, without compensation, and notwithstanding payment of any destruction costs by the Traveller. 723 Travellers must keep an eye on their luggage and personal effects throughout the length of the Services, including their stay on board and during embarkation, transfer, and disembarkation operations. The Organiser of the Cruise, the Carrier, and/or CDP shall decline any liability for luggage that is left unsupervised by the Traveller, and where the latter has not taken all necessary precautions to avoid theft, loss, or damage. The Organiser of the Cruise, the Carrier and/or CDP shall not be liable for fragile items, jewellery, watches, money, cash, computers and other electronic appliances, mobile phones, or any other valuable items that the Traveller has not declared as valuables, and entrusted for custody on board with a descriptive inventory and an estimate, and for which they have not paid the corresponding proportional custody fees.

724 Travellers shall be liable under civil and criminal law for any direct or indirect damage that they cause to the Organiser of the Cruise, the Carrier, and/or CDP, and to the other Travellers or third parties. They shall be solely liable for any fine or penalty inflicted by the relevant authorities on their account.

725 Travellers shall agree to allow the Organiser of the Cruise, the Carrier, the officers of the crew and/or CDP, together with the customs, health and/or administrative authorities in port of call countries or the State where the ship is registered free access to their stateroom, luggage, and personal effects on request and without delay.

726 The Organiser of the Cruise, the Carrier, and/or CDP shall not be liable for the damage caused to photographic, telephone, and electronic equipment and cameras that are lost or damaged during the performance of the Services, whether on board the ship or in ancillary facilities, or during embarkation and disembarkation operations, or for any damage caused to items that have fallen into the water.

#### • Pets

727 Pets, including service or medical assistance animals are prohibited on board the ships, and are not admitted for embarkation.

#### • Smoking policies

728 The ships are non-smoking except for the specifically designated areas on the outside decks (the policy also applies to electronic cigarettes).

#### 8. Air carriage

81 The full Airline Tickets shall be presented in the form of electronic tickets. The surnames and given names must strictly be those indicated on the Traveller's valid passport. Any error or request for alteration shall result in the purchase of a new Airline Ticket.

82 In accordance with French Decree No. 2007-669 of 2 May 2007 regarding the obligation to inform Travellers of the identity of the Airline Carrier, CDP shall inform Travellers of the identity of the known Airline Carrier(s) likely to provide air transportation as at the date when they register. In the event of a change subsequent to the signing of the Contract, CDP undertakes to disclose any changes in the identity of the Airline Carrier(s) prior to departure as soon as it becomes aware of them.

83 Airline companies may enter into so-called mutual code-sharing agreements, which consist in marketing a flight under their own name even though it may be operated by an aircraft belonging to another airline.

84 The term "direct flight" means that there shall be no change of aircraft, but does not exclude the possibility of one or several stop-overs. The term "non-stop direct flight" means a flight with no change of aircraft and no stop-overs.

85 The timetables and types of transport mentioned by CDP shall be those disclosed by the Airline Carriers. They shall therefore be indicative up until the time of departure, and subject to alterations for all kinds of reasons (additional stop-overs, weather conditions, air traffic control authorisations, and strikes, etc.). In accordance with the Warsaw and Montréal Conventions, the timetables and itineraries, and the departure and destination airports shall never be a contractual feature of the Transportation Ticket; under these conditions, CDP cannot be held liable for any changes beyond its control.

86 CDP cannot be held responsible for any technical, climate-related or political incident, delay, cancellation or strike, additional stop-over, or change of aircraft or routing, etc. that may arise during the air transportation, and no compensation may result on any grounds whatsoever. If a Traveller wishes to waive their right to benefit from a Service, they shall be liable for the cancellation fees set out below.

87 The Airline Carrier's responsibility shall be limited in the event of damage, complaints, or claims of any kind, in accordance with the conditions set out on the Airline Tickets. CDP shall not refund any expenses (taxi, meals and hotels, etc.) if the Traveller is under the responsibility of the Airline Carrier. The consequences of any accidents and/or incidents that may arise during the performance of the air transportation shall be governed by the Warsaw and Montréal Conventions, and by the local regulations governing domestic transport systems in the country concerned.

88 Depending on the Airline Carrier, the usual baggage allowance on regular international flights (excluding the benefits granted to members of loyalty programmes) is strictly limited to a maximum of 23 kg in the hold and 8 kg in the stateroom per Traveller. On regular domestic flights, the allowance usually ranges between a maximum of 15 and 20 kg in the hold. On charter flights operated by CDP, the maximum hold luggage allowance is 23 kg (subject to confirmation by the selected Airline Carrier) and 5 kg for each item of luggage in the stateroom. Travellers are advised to pay close attention to this restriction. Airline Carriers do not hesitate to charge additional fees for excess baggage, and sometimes refuse to check luggage that is too heavy or too bulky due to strict security rules. The liability of CDP and of the Airline Carrier cannot be engaged in the event of refusal to check in a Traveller due to the fact that their luggage exceeds the allowance.

#### 9. Transfer of the Contract

91 A Traveller may transfer their Contract to a third party who fulfils the same conditions as them for the performance of all the Services, as long as those Services have not begun, in accordance with Article R.211-7 of the French Tourism Code, and only where this Code applies to CDP.

92 The transferor and/or the transferee shall be required to pay the resulting fees. They must inform CDP of this decision by any means that enables them to obtain an acknowledgement of receipt (registered letter with acknowledgement of receipt, e-mail, or fax, etc.) within 60 business days at the latest prior to the beginning of the Services.

93 In the event that a Traveller transfers their Contract without informing CDP in accordance with the procedures provided for above, this transfer shall not be valid, and the Services provided for in the Contract shall be cancelled with no possible refund.

#### 10. Cancellation or alteration of the Contract by the Traveller

101 Pursuant to Article L.121-21 of the French Consumer Code, Travellers are informed of the fact that they do not benefit from the right of withdrawal provided for in Article L.121-17 of said Code.

102 Travellers cannot alter the Services provided for in the Contract without CDP's prior agreement.

103 If a Traveller alters or cancels a portion or all of the Services provided for in the Contract, shall need to inform CDP via any means that enables them to obtain an acknowledgement of receipt (fax, email, or registered letter with acknowledgement of receipt) as soon as the event resulting in this alteration or cancellation occurs. The date on which the document was sent shall be the date on which the alteration and/or cancellation fees are invoiced.

Requests to alter a cruise shall only be accepted subject to Compagnie du Ponant being informed within a timeframe of at least 90 days before the departure of the cruise, via the means set out above. This timeframe shall be increased to 150 days for Expedition Cruise programmes.

Beyond that deadline, alteration requests shall be considered as cancellation requests, and shall therefore be managed according to Paragraph 10.5, which governs cancellation fees.

The alteration terms and conditions exclusively involve the option for the traveller to replace a port-to-port cruise with another port-to-port cruise with Compagnie du Ponant.

#### 10.4 Alteration fees:

In the event of an alteration involving a higher-value travel package, and subject to compliance with the terms and conditions set out in Points 10.4.a to 10.4.d, no alteration fee shall be applied to the cruise service, or to the other services, (e.g. air travel). The rebooking fees shall amount to the expenses already incurred by Compagnie du Ponant:

- 10.4.a: The passenger may alter their cruise subject to replacing it with a more expensive cruise than the one that is being replaced;
- 10.4.b: The departure date of the cruise booked as a replacement must fall within a maximum timeframe of 12 months as from the date when the alteration request was made;
- 10.4.c: The reservation and payment of the deposit for the replacement cruise must be made at the same time as the alteration request;
- 10.4.d: The replacement cruise selected shall become non-exchangeable and non-refundable from that point; the passenger may only cancel it.

In the event that the Contract is switched to a Service of a lower value than the initial value, alteration fees shall apply, and shall be equal to those in the cancellation terms and conditions set out in Article 10.5 below. The fee percentage shall then apply to the difference between the price of the initial Service and/or of the new Service. Specific terms and conditions for an alteration request from Ponant Yacht Club High Admirals

In the event of the 1st alteration of a tourism package: no fees shall be applied to the cruise service, as long as the request is made within a timeframe of at least 90 days before the departure of the cruise. This timeframe shall be extended to 150 days for Expedition Cruise programmes. New departure within 12 months after the date of departure initially scheduled. Only one alteration without penalty charges per calendar year and per person entitled to Grand Admiral status, regardless of the cruise.

Any alteration request aside from the alteration of the 1st cruise shall be subject to the general sales condition applicable by default.

In the case of other services (e.g. air travel), the alteration fees shall amount to the expenses already incurred by Compagnie du Ponant:

- Less than 30 days prior to the departure of the Cruise: 100% of the total amount of the Services.

##### For the other Services:

No refund shall be granted for any cancellation or waiver of an airline or ground Service included in the contract, or of any service that forms part of the Cruise, for any reason whatsoever.

10.6 In the event that a Traveller is prevented from taking the Cruise by a force majeure event, or due to their death, the Contract shall be terminated via the notice provided by the Traveller or their beneficiaries prior to the execution of the Contract. One quarter of the price of the Contract shall then be payable to CDP. The same conditions shall apply to the family members of a Traveller who was prevented from taking the Cruise by a force majeure event or who has died, and who were meant to be travelling with them.

10.7 A Traveller who does not present themselves at the departure of a Service, or who finds themselves unable to depart, or decides not to depart for any reason whatsoever, including due to a connection delay, cannot claim any refund.

10.8 Once the Services have begun, the Traveller shall be required to pay the full price of the Contract, regardless of the reason that may lead them to decide to waive it.

## **11. Cancellation, interruption, or alteration of the Contract by CDP**

11.1 The arrival and departure times are provided for information purposes and are not definitive. In its capacity as the Organiser of the Cruise, and/or the Carrier, and/or the Vendor of a Package, CDP cannot guarantee that the times will fit in with (air plane and train, etc.) connection timetables.

11.2 CDP may assign travellers different staterooms than those initially provided for.

11.3 CDP reserves the right to interrupt a Cruise or to change its itinerary for any reason that it shall consider valid; in this case, CDP cannot be held liable for any loss or harm.

11.4 Specifically in the event of adverse weather conditions, or due to the political or social situation in a port of call country, or due to any other event that may endanger the safety of the Travellers, property, or the ship, or in the event of orders imposed by public authorities, the Organiser of the Cruise, and/or the Carrier, and/or CDP shall have the option to change the itinerary or the ports of call or destination, to delay the trip or to end it, to divert the ship, to tow another ship or to be towed, to transfer the Travellers and their luggage to any other means of transport, even if such transfer results in extending or shortening the length of the programme.

11.5 The ship may provide assistance to any person or property at sea under all circumstances, and cannot be held liable for the consequences of a change to the Cruise programme for that reason.

11.6 Where CDP is required to alter the Cruise after the Travellers have embarked for reasons beyond its control, Travellers cannot claim any compensation other than the refund of the Services that were not provided and not replaced, or of the unused portion of the Tickets less any expenses incurred, from either CDP, the Carrier, or the Organiser of the Cruise. Conversely, CDP may ask the Travellers to pay a price supplement corresponding to the additional services provided to the Travellers due to an extension of the trip.

11.7 In the case of external events beyond the control of the Organiser of the Cruise, and/or the Carrier, and/or CDP, or for any reason relating to the safety of the Travellers, or of the ship, or due to an insufficient number of participants, CDP may cancel the Cruise, and must inform the Travellers and/or the Organiser of the Cruise, where applicable, by registered letter with acknowledgement of receipt, or via e-mail, or via a press release.

11.8 CDP's Cancellations and other Services are subject to a minimum number of participants.

11.8.1 CDP reserves the right to cancel a Cruise up to 21 days prior to departure if the minimum number of Travellers registered is less than or equal to 50% of the ship's "passenger capacity" (200 Passengers for the Expedition Cruise programmes, 244 passengers for the other Cruises on board the *L'Austral*, *Le Boréal*, *Le Lyrial* and *Le Soléal*, 172 passengers on board *Le Lapérouse*, *Le Champlain*, *Le Bougainville* and *Le Dumont d'Urville* and 55 passengers for the *Le Ponant Yacht*).

11.8.2 CDP reserves the right to cancel any other service other than the Cruise if the number of Passengers is less than 20 participants (unless specified otherwise).

11.9 Where CDP is the Organiser of the Cruise, and regardless of the reason for the cancellation, no compensation shall be payable to the Traveller, who shall have a choice between the following solutions: (i) The full refund of the price of the Contract, (ii) another Service at an identical price, (iii) a Service at a lower price, and the refund of the difference in price between the two Services on the basis of the published prices. Travellers must inform CDP of their choice as soon as possible, and in any event prior to the cut-off date mentioned in the cancellation documents.

11.10 The means of transport that are the subject of the Services shall be reserved by CDP in accordance with the terms and conditions of each operator who provides these services. CDP reserves the right to substitute one means of transport for another, or one hotel for another in the same category. In the second case, if the hotel is in a lower category, the excess amount paid shall be refunded to the Travellers.

11.11 All the Services shall be offered within the limit of the places available. If there is no more room in the category proposed, CDP may offer additional places in exchange for a price supplement, depending on availability.

## **12. Liability**

12.1 Where it acts in the capacity of a Sea Carrier, CDP shall be liable for any harm caused to Travellers in accordance with the provisions and compensation limits provided for in the following legislation, depending on their respective scopes of application, namely Articles L. 5421-1 to 5421-8 of the French Transport Code, and (EC) Regulation 392/2009 issued by the European Parliament and Council on 23 April 2009. Where this Regulation is applicable, the compensation limits assigned to the Carrier in the event of death or bodily harm amount to 400,000 drawing rights per Traveller and per event.

12.2 Where it acts in the capacity of a Sea Carrier, CDP shall be liable for any damage caused to luggage in accordance with the provisions and compensation limits provided for in the following legislation, depending on their respective scopes of application, namely Articles L. 5421-9 to 5421-12 of the French Transport Code, Decree No. 67-268 of 23 March 1967, as amended by Decree No. 86-1065 of 24 September 1986, and (EC) Regulation 392/2009 issued by the European Parliament and Council on 23 April 2009. Where (EC) Regulation 392/2009 does not apply, the maximum compensation for loss of or damage to luggage payable by the Carrier shall be €1,520 per Traveller and per trip.

12.3 In any event, where it acts in the capacity of a Sea Carrier, CDP shall benefit from the compensation limits included in the London International Convention of 19 November 1976, as amended by the 1996 Protocol; these limits shall prevail over any other limits determined by legislation where the application is not mandatory.

12.4 Where it operates as the Organiser of the Cruise, CDP shall be liable for any bodily harm or damage to property that occurs on board the ship or in its ancillary facilities or vessels during embarkation or disembarkation, or that occurs during carriage at sea within the same limits and under the same conditions as the Carrier. Where this damage or injury occurs outside such circumstances, but between the beginning and the end of the cruise, the compensation potentially payable to the Traveller by the Organiser of the Cruise and/or CDP shall be capped at 50% of the price of the Cruise.

12.5 Where it is involved in the capacity of the vendor of a fixed-price travel package within the meaning of the French Tourism Code, CDP shall be responsible for any harm or damage caused to Travellers or their luggage within the limits and conditions specified in Article L. 211-16 of said Code.

CDP's liability may specifically not be engaged in relation to the consequences of the following events:

a) Loss or theft of the Tickets, failure to present the correct documents, or presentation of identity or health documents that are out of date or where the validity period is insufficient (identity card, passport, visas, and vaccination certificates, etc.), or that do not comply with the instructions mentioned in the documents delivered to the Traveller;

b) unforeseeable and unavoidable incidents or events that affect a third party to the travel contract (force majeure events). Where a cancellation is required by circumstances that have the nature of a force majeure event and/or for reasons relating to the security of Travellers, and/or as the result of an injunction issued by a French or foreign administrative authority.

12.6 CDP's liability in its capacity as the Organiser of the Cruise, and/or the Carrier, and/or the Vendor of a Package shall be expressly excluded in the case of non-pecuniary losses, loss of enjoyment and so-called punitive and/or similar damages.

12.7 Where a Traveller is not allowed to embark on the ship – including after of during a port call – under the conditions mentioned in Articles 6, neither CDP, in its capacity as Organiser of the Cruise, and/or the Carrier, and/or the Vendor of a Package, nor the Captain of the ship, nor the crew shall be held liable on any grounds whatsoever.

12.8 CDP shall not be held liable for bodily harm, or damage to property or non-physical damage caused by wars, blockades, riots, strikes, social conflicts, acts of piracy or terrorism, epidemics or periods of quarantine, natural disasters and catastrophes, nuclear fusion, fission, pollution or explosion or its consequences, the closure of the port of departure, of call, or destination, the impounding, requisition, or seizure of the ship for whatever reason, the use of the ship for special Government purposes, or due simply to the threat of the above events. Moreover, it shall not be held liable for any harm caused by the Traveller's deliberate involvement in an affray or in a hazardous activity or action that was not rendered necessary in order to safeguard human life.

12.9 CDP shall not be held liable under any circumstances for any damage caused by the interruption and/or the alteration of the trip as the result of a force majeure event, including, wars, blockades, riots, strikes, social conflicts, acts of piracy or terrorism, epidemics or periods of quarantine, natural disasters and catastrophes, nuclear fusion, fission, pollution or explosion or its consequences, the closure of the port of departure, of call, or destination, the impounding, requisition, or seizure of the ship for whatever reason, the use of the ship for special Government purposes, or due simply to the threat of the above events.

12.10 In the event that CDP is responsible for transporting luggage during a period prior or subsequent to the disembarkation of the ship in its capacity as the Organiser of the Cruise, and/or the Carrier, and/or the Vendor of a Package, it shall act as a representative on the Traveller's behalf, and its liability shall not replace the liability of the carriers who are effectively responsible for transporting the luggage.

12.11 Luggage that is not claimed at the time when the ship or any other means of transport arrives shall remain at the port at the Travellers' expense and at their own risk.

12.12 Any delay in delivering the luggage that inconveniences the Traveller may only give rise to the payment of a compensation amount that cannot exceed 20% of the amount that would be payable in the event of the loss of the luggage stowed in the hold under the terms of Article 12.2. CDP reserves a period of 3 (three) months to look for lost luggage.

12.13 Unless a specific written contractual agreement is in place, ground or air transport, Transfers, water sports and scuba diving from the deck, services included in the Pre- and Post-Cruise Services, Excursions and/or Extensions, excursions on land, including, where applicable, the booking of hotels and restaurants and guided tours when booked from the ship with CDP and invoiced by the latter, are supplied by independent service providers who are neither representatives nor employees of the Organiser of the Cruise, the Carrier, the Vendor of the Package, and/or CDP. Travellers shall use these services at their own risk, and CDP shall only be involved as an intermediary, in its capacity as the Organiser of the Cruise, the Carrier, and/or the Vendor of the Package, and shall not assume or engage any liability for the services, regardless of whether such liability involves bodily harm or damage to property, cancellation, delay or a change of programme.

12.14 Any Traveller who takes part in outside activities as part of the Expedition Cruises agrees to take part in them in good faith and solely at their own risk. In this case, participation engages the liability of each participant, in terms of their physical fitness, their safety, their behaviour, and their comfort. Travellers' attendance at the information briefings provided on board is mandatory. The liability of CDP, its Managing Directors, Directors, officers, crew members, and expedition team members, and the activity leaders cannot be engaged in the event of loss or damage suffered while taking part in outside activities offered during Expedition Cruises under any circumstances.

## **13. Price reviews**

13.1 The prices proposed by CDP are established in accordance with the economic conditions on the day when they are published. These economic conditions include, inter alia, the cost of transportation and fuel, the royalties and taxes relating to the services proposed (entry and/or exit duties in the countries visited, airport or port taxes, embarkation or disembarkation taxes, visa fees, and the cost of admission to tourist attractions), and the exchange rates used when setting the price of the programmes. CDP expressly reserves the right to review its prices. Any change in the cost of transportation and fuel, in taxes, royalties, in the euro and US dollar exchange rates, or special drawing rights and visa fees shall be fully reflected in the price of the trips, including travel agents' commissions, where applicable. Where the French Tourism Code applies, CDP also has the option to lower the Price pursuant to Article L. 211-12 of said Code, on the understanding that, in this case, no pricing review may occur less than 30 business days prior to the scheduled departure date.

13.2 Where the French Tourism Code applies, Travellers shall be informed of any increase in the Price via registered letter with acknowledgement of receipt – or via any other means as long as it enables the

effective receipt of the correspondence to be proved – on the basis of a notice period of (30) days prior to the departure date. When they receive this notice, the Passenger and/or the purchaser of the Ticket(s) may cancel their contract and receive an immediate refund of the amount paid by informing the Vendor in writing within a period of 7 (seven) days following receipt of the notice of the price increase.

Any daily surcharge (S) in the case of cruise services only shall be calculated as follows:

- 20) the clause governing the cancellation and refund, free of charge, of the amounts paid by the purchaser in the event of non-compliance with the information obligation provided for in Sub-Paragraph 13) of Article R. 211-4;
- 21) the undertaking to inform the purchaser of the departure and arrival times in good time prior to the beginning of the trip or the state.

**Article R. 211-7:** The purchaser may transfer their contract for the trip or stay to a transferee who meets the same conditions as them, as long as the contract has not taken effect. Unless the transferor benefits from a more favourable clause, they are required to inform the vendor of their decision via any means that enables an acknowledgement of receipt to be obtained (fax, e-mail, or registered letter with acknowledgement of receipt) at least seven days prior to the beginning of the trip. This deadline shall be extended to 15 days where it involves a cruise. This transfer shall not be subject to prior authorisation by the vendor under any circumstances.

**Article R. 211-8:** Where the contract includes an express price review option, within the limits provided for in Article L. 211-12, it must mention the specific calculation procedures for the price changes, in the case of both increases and decreases, and specifically the amount of the transportation expenses and related taxes, the currency or currencies that may have an impact on the price of the trip or the stay, the portion of the price to which the change applies, and the exchange rate for the currency or currencies used as a benchmark when determining the price shown in the contract.

**Article R. 211-9:** Where the vendor finds themselves required to alter one of the key aspects of the contract prior to the purchaser's departure, such as by significantly increasing the price, and where they ignore the information obligation mentioned in Sub-Paragraph 13) of Article R. 211-4, the purchaser may take the following measures, without prejudice to any appeals for compensation for the loss that they may suffer, and once they have been informed by the vendor via any means that enables an acknowledgement of receipt to be obtained (fax, e-mail, or registered letter with acknowledgement of receipt, etc.):

- either cancel the contract and obtain immediate repayment of the amounts paid with no penalty;
- or accept the change or the substitute trip proposed by the vendor; in that case, an amendment to the contract specifying the alterations made shall then be signed by the parties; any price decrease shall be deducted from the amounts that may remain payable by the purchaser, and if the payment already made by the latter exceeds the price of the altered service, the excess amount must be returned to them prior to their departure date.

**Article R. 211-10:** In the event provided for in Article L. 211-14, where the vendor cancels the trip or the stay prior to the purchaser's departure, they must inform the purchaser via any means that enables an acknowledgement of receipt to be obtained (fax, e-mail, or registered letter with acknowledgement of receipt, etc.); the purchaser shall then obtain immediate repayment of the amounts paid from the vendor without any penalty, without prejudice to any claims for compensation for any loss that they may have suffered; in this case, the purchaser shall receive a compensation amount that is at least equal to the penalty that they would have paid if they had been responsible for the cancellation on this date.

The provisions of this article shall not prevent the reaching of an amicable agreement with a view to the purchaser accepting a replacement trip or stay offered by the vendor under any circumstances.

**Article R. 211-11:** Where the vendor finds themselves unable to provide a major portion of the services provided for in the agreement, and which account for a significant percentage of the price paid by the purchaser after the latter's departure, the vendor must immediately take the following measures, without prejudice to the claims for compensation for any losses that may have been suffered:

- either offer services as a replacement for the services provided for, and potentially bear any additional cost, and, if the services accepted by the purchaser are of a lower quality, the vendor must refund the price difference to them as soon as they return;
- or, if they cannot offer any replacement service, or if that service is refused by the purchaser on valid grounds, provide the purchaser with transportation tickets enabling them to return to their place of departure under conditions that may be considered as equivalent, or to another place agreed by both parties, at no additional cost. The provisions of this article shall apply in the event of non-compliance with the obligation provided for in Sub-Paragraph 13) of Article R. 211-4.

**Article R. 211-12:** The provisions of Articles R. 211-3 to R. 211-11 must be included in the brochures and the travel contracts offered by the persons mentioned in Article L. 211-1.

**Article R. 211-13:** The purchaser can no longer claim the benefit of the clause provided for under Sub-Paragraph 20 of Article R. 211-6 once the service has been provided.
